6644 / NICOLA

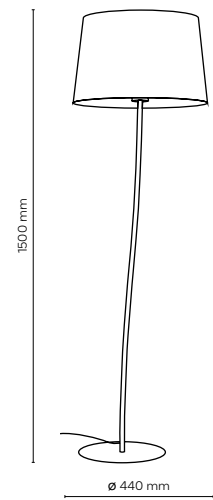

A modern living room scene. In the foreground, a tall, slender floor lamp with a bright orange conical shade and a matching circular base stands on a grey tiled floor. To its right is a grey fabric sofa with three pillows: one with a black and white zigzag pattern, one solid green, and one solid grey. In front of the sofa is a white oval coffee table with three wooden legs. To the left of the sofa is a wooden desk with a laptop, a small potted plant, and a wooden mannequin. In the background, a white modular shelving unit holds various decorative items, including a black geometric sculpture, a potted plant, and a framed picture. The room is brightly lit, likely from a window on the right.

THREE-TRACK TRACER

Tracer trójobwodowy daje możliwość oddzielnego sterowania poszczególnymi spotami w szynoprzewodzie. W efekcie można włączyć lub wyłączyć wszystkie lampy bądź też uruchomić konkretne z nich w zależności od preferencji.

The three-circuit tracer gives you the ability to separately control individual spots on a track. As a result, you can turn all the lights on or off, or run specific of them depending on your preference.
